

**S.S.T COLLEGE OF ARTS AND COMMERCE**  
**Ulhasnagar-4**  
**Internal Examination - March 2022**

**Class: SYBAF (IV)**

**SUB: Research Methodology**

**Duration: 40 Minutes**

**Mark**

**Q1. Multiple Choice Questions:**

**(10 M)**

1. \_\_\_\_\_ research is also called fundamental research.  
a. Basic                      b. Empirical                      c. Applied                      d. Quantitative
2. Research means \_\_\_\_\_  
a. Look ahead                      b. Search back                      c. Search light                      d. Review literature
3. \_\_\_\_\_ is the blueprint for the collection, measurement and analysis of the data.  
a. Research design                      b. Research Process                      c. Research Hypothesis                      d. Research Report
4. Identifying problems and finding solutions thereupon is one of the objectives of \_\_\_\_\_.  
a. Action                      b. Research                      c. Business                      d. Process
5. \_\_\_\_\_ refers to previous research studies, reference books and other published sources.  
a. Literature review                      b. Research design                      c. Research report                      d. Researcher
6. \_\_\_\_\_ is one type of research.  
a. Descriptive                      b. Societal                      c. Awareness                      d. Creative
7. The \_\_\_\_\_ hypothesis states that there is no relationship between two population parameters.  
a. Null                      b. Alternative                      c. Complex                      d. Well organized
8. The alternative hypothesis is generally denoted as \_\_\_\_\_.  
a.  $H_0$                       b.  $H_1$                       c.  $H_z$                       d.  $H_2$
9. A hypothesis is a \_\_\_\_\_.  
a. law                      b. canon                      c. postulate                      d. supposition
10. \_\_\_\_\_ is the first step in starting the research process.  
a. Sources of information                      b. Survey of literature                      c. Identification of problem                      d. Searching solution to problem

**Q2. Answer the following: (Any 2 out of 3)**

**(10 M)**

1. Explain the different Types of Research.
2. What are the various Types of Hypothesis
3. Explain the essentials of a Good Research Design.

***“Research – The Distance between an Idea and its Realization”***
